Make us always ready to come to you with clean hands and steady eyes, so when life fades, like the fading sunset, our spirits may come to you without shame. Amen.

United Ministries. We start by saying how much we appreciate your food donations for the first quarter of 2017. Our donations were down in the first quarter but through a food donation from Loaves and Fishes and grant from Walmart, our shelves have been full.

Through April, 2017, we provided food to 621 individual households. The total number of people served reached 1,200. In addition to the food distributed, we have provided financial stabilization for utilities, rent and heat to 544 individual households.

When we don't purchase food, money can be redirected to our other programs such as heat, housing or education. We estimate the food obtained through the Walmart grant will be gone by the end of July. Knowing our summer donations will drop, it is important we have your continued support during this time.

In closing, we again thank you for your donations.
